**CONSENT TO PUBLISH AND TRANSFER OF COPYRIGHT FORM**

---

**SCIENCE AND APPLICATION OF NANOTUBES**

**Under the United States Copyright Law, the transfer of copyright from the contributing author(s) should be explicitly stated in writing to enable the publisher to publish and disseminate the author's work to the fullest extent. The following agreement must be signed by each contributing author and returned to your books' Editor with your final camera-ready manuscript before the manuscript can be processed for publication. The form will be sent to the Publisher with the final manuscript.**

**TITLE OF ARTICLE/CHAPTER:** \_\_\_\_\_

**AUTHOR(S):** \_\_\_\_\_ **DATE:** \_\_\_\_\_

**PART A - COPYRIGHT TRANSFER FORM AND WARRANTIES**

**NOTE:** If article was prepared as part of the writer's duties for his/her employer (a "work for hire"), this agreement must be signed by the employer as Author. If article was prepared by a government employee as part of his/her official duties, please refer to Part B.

1. The undersigned author or authors ("Author") of the above article ("Article") transfers and assigns exclusively to Kluwer Academic Publishers ("Publisher") all Author's right, title and interest in the Article including, without limitation, the copyright therein. These rights include without limitation, translation rights, mechanical, electronic and visual reproduction; electronic storage and retrieval; and all other forms of electronic publication or any other types of publication including all subsidiary rights.
2. In return for said rights, Publisher grants to Author the following rights:
  - a. All proprietary rights relating to the Article, other than copyright, such as patent rights.
  - b. The right to use, after publication, part or all of the Article in subsequent works of Author, provided that written permission is granted by Publisher and the proper acknowledgement is made to the source and to the Publisher.
  - c. The right to make oral presentation of the material in any form.
  - d. In the case of work performed under United States Government contract, Publisher grants the U.S. Government royalty-free permission to reproduce all or portions of the Article and to authorize others to do so for U.S. Government purposes.
3. Any other use or reproduction of the work requires a fee and/or permission from Publisher.
4. In the event that the Article is not accepted and published by Publisher, this agreement becomes null and void.
5. Author warrants and represents that the Article is original work and has not been published before in any form, and that it does not infringe upon any copyright or other right(s), that it does not contain infringing, libelous, obscene or other unlawful matter, that he is the sole and exclusive owner of the rights here-in conveyed to the Publisher, and that he has obtained the customary permission from the copyright owner or his legal representative whenever a passage from copyrighted material is quoted or a table or illustration from such material is used. The Author will indemnify the Publisher for, and hold the Publisher harmless from any loss, expense or damage occasioned by any claim or suit by a third party for copyright infringement or arising out of any breach of the foregoing warranties as a result of publication of the Article. The Article shall be delivered to the Publisher free of copyright charges.
